## Intersection upgrade on the Pacific Highway at Tyndale

**The Australian and NSW governments are jointly funding the \$4.36 billion Woolgoolga to Ballina Pacific Highway upgrade. To create a safer turning point for construction vehicles, improvement work will be carried out on the intersection of the Pacific Highway and Coldstream Road from early October for about five weeks, weather permitting.**

To improve the intersection, the southbound left turn shoulder will be widened and the intersection will be line marked to allow a new northbound acceleration lane. The work will include;

- Survey to mark out boundaries
- Minor vegetation clearing
- Installing barriers for safety of workers and all road users
- Upgrading drainage
- Earthworks and pavement widening for the intersection improvements
- Sealing the new sections of the intersection
- Installing line marking and sign posting.
