## Permanent traffic change at Lumleys Lane, Wardell for the Woolgoolga to Ballina Pacific Highway upgrade from mid-January

**The Australian and NSW governments are jointly funding the \$4.36 billion Woolgoolga to Ballina Pacific Highway upgrade. Roads and Maritime Services Pacific Highway Project Office, Pacific Complete and its contractor partners are working together to deliver the project.**

Work is progressing well to build the new alignment in Wardell, with the team completing vegetation removal, establishing site access and starting major earthwork.

The project team will make a permanent traffic change at Lumleys Lane, Wardell from mid-January, weather permitting.

Lumleys Lane will be permanently closed to through-traffic from Wardell Road. The closure is required to build the new Pacific Highway. We have provided a map to show the location of the closure and new permanent road conditions.

## How will this change affect you?

Property access will be maintained at all times while work is carried out. Road users may experience short delays when travelling through this area, please keep to speed limits and follow the direction of traffic controllers and signs.

This closure is not expected to impact travel times for motorists.

Please drive carefully, follow signs and obey the direction of traffic controllers when travelling through this area.

All work will be carried out in line with the project's Conditions of Approval and Construction Environment Management Plan.

## Work hours

Typically work will be carried out during the project's approved construction hours, which are:

7am – 6pm Monday – Friday  
8am – 5pm Saturdays

Nearby residents will be notified at least five working days in advance of any activities scheduled outside of these working hours.
