

Temporary traffic change Lookout Road, Glenugie

Roads and Maritime Services, Pacific Complete and its contractor partners are working together to deliver the Woolgoolga to Ballina Pacific Highway upgrade.

As part of building the upgrade, there will be temporary changes to the access of Lookout Road in July, weather permitting.

Access from the highway onto Lookout Road will now be by a 30 metre connection road and there will be no change to the southbound merge lane and exit. The temporary access will be in place until work is completed on the overpass bridge and southbound on ramp at Glenugie. This change allows us to maintain capacity on the road network while we safely continue to build the upgrade.

Motorists will be kept informed about dates for this traffic change through electronic message signs and livetraffic.com.au. Access to private properties will be maintained during this work.

How we manage our work

The project team will use machinery that generates noise, light and vibration. To manage this work we will:

- turn off machinery when not in use
- direct temporary lighting down and away from homes
- plan activities close to residents to coincide with normal working hours, where possible
- fit equipment with devices to minimise noise, particularly reversing squawkers
- monitor noise so we can manage any potential impacts and adjust the work activity as required

All work will be carried out in line with the project's Conditions of Approval and Construction Environmental Management Plan.

Work hours

Typically work will be carried out during the project's approved construction hours, which are:

Approved construction hours	
Monday to Friday 7am–6pm	
Saturday 8am–5pm	

In areas where residents live more than 200 metres from the work, extended work hours are allowed between 6am and 7am and 6pm and 7pm from Monday to Friday. No work will be carried out on a Sunday or public holiday.

Traffic changes

To manage queuing and safety, there will be some temporary traffic changes and lane closure that may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. Motorists are encouraged to remember PAC – Plan, Awareness, Caution.

For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW app.

We apologise for any inconvenience and thank you for your patience during this important work.
